Yash Security Services is growing up by leaps and bounds to become one of the Rajasthan's most admired Security organizations, catering to security needs of clients all over Rajasthan with help of trained Security Staff. We are a team of highly experienced and efficient Security professionals.

Yash Security Services promises reliable and effective security solutions for the protection of life and property with a perfect blend of skills and trained resources. Over the years, we have developed and perfected this combination having provided a wide spectrum of services to many highly reputed and well known Corporate Houses, Industries, and Multinationals & Government Institution. Protection of the client and other allocated areas, locations, premises against unauthorized access, loss prevention, sabotage, and other criminal acts. Patrolling and inspecting the locations of the client by transport or on foot, to provide continuous checking and scrutiny of the allocated area. Performing mandatory public safety, law and order functions.

Controlling access to the allocated area employing recommended fixed security posts and patrols. Controlling and enforcing established systems for personnel identification and badging. Sustaining security awareness and crime prevention program. Training of security guards at the unit training premises and the security guards deployment sites. Training of guards to speak politely and with courtesy to clients and guests. Provision of escorts to VIPs and personnel under threat. Responding to real-time emergent situations. Monitoring of electronic surveillance and scanner equipment machinery and tools. Provision of investigation services. Provision of sniffer dogs if and when required.

Customer First:

- We have a strong passion for customer service excellence.
- Believes that security is not just about safety but also peace of mind
- We take the time to listen to our customers understand their needs and work out the best suited Security solutions for them.

Discipline:

- We conduct ourselves with absolute discipline in everything that we do, always.
- We take full responsibility for our task and follow all the involved rules and procedures It's not about the structure or the system or the process or the infrastructure, it's about the people, always about the people trust.

Trust:

- Trust is the resource for our success.
- We are transparent and honest.
- We minimize any surprises to our customers in business by being straightforward

Responsibility:

- We always accept personal responsibility in achieving our desired objectives because each of one of us firmly believes that unless each one doesn't deliver his best, the end result for the organization wouldn't be the best.
- We encourages initiative and sees change as an opportunity to excellence
- The entrepreneurial spirit of each individual is highly respected

Teamwork:

- Partnership is the foundation of everything that we do. A work ethic that encourages every single employee to go the extra mile.
- We provide opportunities, encouragement & rewards to help our employees reach their true potential.
- We also consider our clientele as our partners in creating value. Their loyalty is our greatest recognition.

We are successful when you are:

- We strongly believe that pursuing all of these goals is in our interest and the interest of all of our customers, employees and the society as a whole.
- We add value to people's interaction with us, with excellent Security services, by engaging our employees and nurturing their talents and we show concern for our communities with our various corporate responsibility programs under the motto of Secure Everyone Secure Everywhere.
